the Look

Filling Out the Form

Everywhere you look, fashion is trumpeting poise and maturity. And we're all for it. But no woman should ever be denied the right to enjoy being a girl. The perfect solution? A **bodice-hugging, full-skirted dress** in a stop-traffic sheen. The key is finding a fabric that's structured and sophisticated so you don't look like you're just a tad late for the prom.
